On February 2018, after significant seven seasons at the NYFW, and with new self awareness, she came back to Milan Fashion Week in the prestigious venue of Palazzo Reale in Piazza Duomo and in the same year, she celebrate 10 years of carrier with her first book published by Silvana Editoriale.

In september 2019 for the first time off-schedule for her SS2020 Liberatore decided to experiment a brandnew format showing, in the swimming pool of Bagni Misteriosi held by the Theatre Franco Parenti, a successful collaboration with Arena and FIN and also signing the training swimsuits of the Italian National Swim Team for the Olympics of Tokyo ss2020.
